YOU'RE INVITED...

The LA/NYC local groups of ACM/SIGGRAPH present the “Salute to the Contributors” party Thursday, July 30, 1987 from 10 pm to 2 am at the Anaheim Hilton's California Pavilion.

The dragonfly was created with software by Ray Tracing Corporation. The model was built by Motion Magic and rendered on a Convex Supercomputer. Film recording courtesy of the San Diego Supercomputer Center. For more information call (213) 373-2998.
